Hi guys. This my first tab. Please be kind!! I think it sounds good.  
Capo on the 8th fret.Regarding the rhythm feel free to play this song as you like more.

I personally use the chords variation (within brackets) to strum and create the rhythm.

Intro

**C** - (**C7+**) - **F** x1

**C** - **Em** - (**Em7**) - **Am**

Verse

**C** **Em**  
Headline from this day on  
**Am** **F**  
Why you keep pretending that you wanna let go?  
**C**  
Do. Do you wanna let go?  
**Em**  
Loud volume turn to low low low low low low

Pre-Chorus

**Am** **F**  
What you want and what you do to me  
**Dm** **Am**  
I ll take the trouble that you have in mind

Chorus

**F**  
Entertainment  
**Dm**  
Show them what you do with me  
**Am** **C** **F**  
When everyone here knows better  
**Dm**  
What I once refused to be  
**Am** **C** **F**  
Is everything they long together  
  
I d rather be alone

Repeat intro x1

Verse 2 ----> Same chords of verse 1

I love, I love, I love, I notice

I heard it all before I died

Before I knew you

Once upon a time would take too long, long, long, long, long, long

Pre-Chorus -----> same chords

What you want and what you do to me

I ll take the trouble that you have in mind

Chorus -----> same chords

Entertainment

Show them what you do with me

When everyone here knows better

What I once refused to be

Is everything they long together

Bridge

I d rather be alone

Repeat Intro x1
