Things are gonna change
D   **C#**
And not for better
B   **Bb**
Don t know what it means to me
A   **B**
but it s hopeless, hopeless...

Got to get you home
Could be with anyone
Think of what I ve done, uh
You know it all

CHORUS:
F# (2) **G#**
Everything is everything
C#   **Bb**
The more I talk about it
A   **B**
The less I do control
Everything means everything
Can t understand a word
Half of the stuff I m sayin

VERSE:
The things I do possess
Sometimes they own me too
What they gonna do to me?
It s hopeless, hopeless...

What I can t explain
I m sure you ll get it well
Since I always wanted
I always wanted you

CHORUS:
Everything is everything
The more I talk about it
The less I do control
Everything means everything
Can t understand a word
Half of the stuff I m sayin

Riding low, riding low, riding faster
If this is what I want
Look at what it did to me
Riding low, riding low, riding faster
If this is what you want
This is what you get instead

Everything is everything
The more I talk about it
The less I do control
Everything means everything
Can t understand a word
Half of the stuff I m sayin

Riding low, riding low, riding faster
The more I talk about it
The less I do control
Riding low, riding low, riding faster
Can t understand a word
Half of the stuff I m sayin
