

Oblique City
Phoenix

By: Boyko

A **D** **E**
I wanted out of the Biblical bets.
A **D** **E**
Oblique city credentials.
F **C**
It s everything that I ve ever known.
F **E**
Coca-Cola s Rosetta Stone.

A
Atlantis
D **E**
If I really find it
A **D** **E**
Velocity, potentially
F **C**
Not the logic of the momentum
F **E**
It s way more than tragic

F **F** **A#**
I never knew what it do to show
A
You ve ever been lonely?

D
I m gonna do this alone
C#m
50 thousand versus one
F#m **E** **D**
I m gonna do it all
D
Am I gonna do this alone?
C#m
Or will you join me versus wrong
F#m **E** **D**
Come on, come out and get me.

A **D** **E**
I wanted odd, it was even and planned
A **D** **E**
Oblique city, potential
F **C**
She s everything that I d ever want.
F **E**

Who wants the bronze, the silver, the gold.

A

Atlantis

D E

If I really find it

A D E

Complexity, essentially,

F D

Not the logic of the momentum

F E

It s way more than tragic

F F A#

I never knew what it do to show

A

You ve ever been lonely?

D

I m gonna do this alone

C#m

50 thousand versus one

F#m E D

I m gonna do it all

D

Am I gonna do this alone?

C#m

Or will you join me versus wrong

F#m E D

Come on, come out and get me.

C# D C#m B#m

Coca-Cola, beaten-up bottles

E

Is there anything else,

A

C#

Is there anything wrong with me?

C# D C#m B#m

Buried Mayan numerals

E

Is there anything else?

A

Is there anything more for me?

G F#m

Or anything else for me?

C# D C#m Bm E A
