When I was young
         Bbm/F      F   Eb7/11+
I never needed anyone
             D4/7     D7        Gm    Bbm
And making love was just for fun
                  F/A   Bbm  C/E |
Those days are gone.

   F
Living alone
         Bbm/F                 F      Eb7/11+
I think all the friends I ve known
             D4/7     D7  Gm      Bbm
But when I dial the telephone
             F/A   D7 | G7  Bbm/Db C7 C/E |
Nobody s home.

  F         Am                    Eb7/11+
  All by myself,    don t wanna be
       D7   Gm            Bbm/Db C7 |
  All by myself,     anymore
  F         Am                    Eb7/11+
  All by myself,    don t wanna live
       D7   Gm            Bbm/Db C7 |
  All by myself,     anymore.

   F
Hard to be sure
            Bbm/F        F    Eb7/11+
Sometimes I feel so insecure
                D4/7 D7      Gm    Bbm
And love so distant and obscure
             F/A   Gm   C/E |
Remains the cure.
