I wanna feel, your hands on my face

Oh my love

I remember, the time we spent together

Now You say

C#7(b5) **F#m** **Bm**
That You don't love me, no more

I don't care about

Em **A**
What You think and say

D **Em** **Em7M** **Em7** **Em6**
So I know You've got some other boy

I don't mind

C#7(b5) **F#m** **Bm**
I will be always waiting, for You

E **Em** **A**
And when You come back I will say to You

Em **D** **A**
Give me love, love, love

Am **B7**
Give me love, love, love

Em **D** **A**
Love, love, love

G **D**
Love, and nothing more

Em **D** **A**
Give me love, love, love

Give me love, love, love

Em **D** **A**
Love, love, love

I love You forever
