

**She made me cry**  
**Pholhas**

Int. (C Fm G)

          C                  Em  
Let me tell, my whole story  
          F  
I had some time ago  
          Fm      G      C  
She was a pretty little girl  
          Em                  A      A7  
She was my wife, I was so glad  
Dm                  Fm  
My happiness finished so fast, my  
C          B4      Am  
She broke my heart and told me  
F                  Fm G          C      Fm G  C  Fm G7  
She didn't love me no more

          C                  Em  
Then today I am alone  
          F                  Fm  
I spend my time, spend my time  
G                  C  
Sweeping the floor  
          Em                  A      A7  
The dust goes my mind flies

Dm                  Fm  
The time goes by and I know  
C          B4      Am  
I'll find another girl  
F          Fm      G  
But I still remember  
          C      Em/5-  
She made me cry!
