Turn me loose from your hands  
**A E/B B E**  
Let me fly\_\_\_\_\_ to distant lands  
**F# A**  
Over green fields, trees and mountains  
**E/B B E**  
Flowers and forest, fountains  
**A E/B B E**  
Home along the line of the skyway.

**E B/D#**  
For this dark and lonely room  
**A E/B B E**  
Projects a shadow\_\_\_\_\_ castin gloom  
**F# A**  
And my eyes are mirrors of the world outside  
**E/B B E**  
Thinking of the way that the wind can turn the tide  
**A E/B B E**  
And these shadows turn from purple into grey.

**A**  
For just a skyline pigeon

Dreaming of the open waiting for the day

He can spread his wings and fly away again\_\_\_\_

Let me wake up in the morning\_\_\_\_  
**B/D#**  
to the smell of a new-mown hay  
**A E/B**  
To laugh and cry, to live and die  
**B E**

In the brightness of my day

**F#**

I want to hear the pealing bells

**A**

Of distant churches sing

**E/B**

But most of all please free me

**B** **E**

From this aching metal ring

**A** **E/B** **B** **E**

And open out this cage towards the sun.
