

**Ride On Right On**  
**Phosphorescent**

Artist: Phosphorescent  
Song: Ride On / Right On  
Album: Muchacho  
Tabbed by: Aukes57

Pretty straight forward. Just the chords that match the bass stabs in the song,  
which is  
how I like to play it. Enjoy!

Verse 1

<b>C</b>	<b>G</b>
It s going right, I hate you took me right on	
It s getting me by, I hate you took me right on	
And never the heart, I hate you took me right on	
The city in light, I hate you took me right on	

Verse 2

<b>C</b>	<b>G</b>
The kids in the park, I hate you took me right on	
The city of dark, I hate you took me right on	
It grows in the back, I hate you took me right on	
And nothing would last, I hate you took me right on	

Chorus

<b>E</b>
But take your greedy hands
<b>F</b>
Lay them on me
<b>E</b>
But take your greedy hands
<b>F</b>
Lay them on me

Verse 3

<b>C</b>	<b>G</b>
This is not my heart, I hate you took me right on	
You sit at the bar, I hate you took me right on	
We lay in the dark, I hate you took me right on	
We wait for the core, I hate you took me right on	

Chorus

**E**

But take your greedy hands

**F**

Lay them on me

**E**

But take your greedy hands

**F**

Verse 4

**C**

I m moving too fast, I hate you took me right on

We move in the past, I hate you took me right on

And it never can last, I hate you took me right on

It grows in the back, I hate you took me right on
