|--------------------------------------|----------|
| <b>C</b>                             | <b>F</b> |
| Theres a good touch, and a bad touch |          |
| <b>Am</b>                            | <b>F</b> |
| You have to know the diff-er-ence    |          |
| <b>C</b>                             | <b>F</b> |
| A good touch makes you feel good     |          |
| <b>Am</b>                            | <b>F</b> |
| But a bad touch makes you feel tense |          |

Basically repeat the chord pattern C, F, Am, F throughout the song
