```

D           A           G           A
We pulled it off right in front of your eyes like it was magic, wow.
G           A
they ll find us dead for this they ll find us dead
D           A           G
when you paint the town a lovely crimson red
A
just wait till you get home
G           A
they ll find us dead for this
G           A
they ll find us dead they ll find us dead for smiling
D           G           A
the trash we were talking all last night or the compliments we sent
D           G
we will get what we deserve every thing that goes around
A
it comes back around again
D           G
the trash you were talking all last night
A           D
or the compliments you sent you will get what you deserve
G           A
every thing that goes around it comes back around again
```
