

Bulletproof Love
Pierce the Veil

[Intro]

C **Am**
I ll breathe you in with smoke in the backyard lights,
F **G**
we used to laugh until we choked into the wasted nights.
C **Am**
It was the best time of my life, but now I sleep alone,
F **G**
So don t, don t, don t wake me up, cause my thrill is gone.
(Say I m wrong)
Am **G**
And the sunset s turning red behind the smoke,
C
forever and alone.
Am
Yeaaaah

C Am F G

[Verse]

C **Am**
And you ve gone and sewn me to this bed, the taste of you and me(you and me)
F **G**
we ll never leave my lips again under the blinding rain.
C **Am**
I wanna hold your hand so tight I m gonna break my wrists,
F **G**
and when the vultures sing tonight I m gonna join right in.
Am **G**
I ll sing along, oh
C
cause I don t know any other song.
G
Woah oh

[Hook]

Am
I ll sing along,
G
but I m barely hanging on.
C
No, I m barely hanging on.
