[Verse 1]

C

Rage in us, your thirst I m taking,
Em
Pull the plug, I ll keep on shaking.

F

And thrustin about your apartment,

C

Drowned on the blankets floral and fading.

Painful lust, two aching guts,

Em

They tear through each other in the mirror.

F

This happy vacation, there s no motivation,

C

So hold me up.

[Chorus]

Am G F

You say you want to chase the moon like fire,

Am G F

Well, together we can fake our own deaths here,

Am G Bb G

Just wanna be alone and watch as you all just disappear.

C

Oh, oh, oh

[Verse 2]

C

Darker now, kicked out and sleeping in your car,

Em

You roll the window down, enough to dream and make-believe.

F

Our lights knocked out, turned upside down,

C

And I m just a stupid motherfucker, can t figure it out.

I want devil horns, I wanna breathe in your rush,

Em

I wanna leap when you want me to fly.

C

F

But darlin , I don t mean to beg,

C

But these thorns on the stem are nearly tearing up my skin.

[Chorus]

Am G F

So now you wanna chase the moon like fire,

Am G F

Well, together we can fake our own deaths here,

Am G Bb G

Just wanna be alone and watch as you all just disappear.
