

**King For A Day**  
**Pierce the Veil**

[Verse]

**Bbm**

Dare me to jump off of this Jersey bridge?

**G#m#**

Bet you never had a Friday night like this

Keep it up, keep it up, let s raise our hands

I take a look up to the sky and I see

**Bbm**

Red for the cancer, Red for the wealthy,

**G#m#**

Red for the drink that s mixed with suicide

Everything red.

[Pre-Chorus]

**Bbm**

Please won t you push me for the last time,

**G#**

Let s scream until there s nothing left,

**Bbm**

So sick of playing, I don t want this anymore.

**F#**

The thought of you is no fucking fun,

**Ebm**

You want a martyr, I ll be one

**G#**

**Bbm**

Because enough s enough, we re done.

[Chorus]

**F#**

You told me think about it, well, I did

**Ebm**

Now I don t wanna feel a thing anymore

**F**

I m tired of begging for the things that I want,

**Bbm**

I m over sleeping like a dog on the floor.

[Verse]

**Bbm**

The thing I think I love will surely bring me pain

**G#m#**

Intoxication, paranoia, and a lot of fame

**Bbm**

Three cheers for throwing up, pubescent drama queen

**G#**

**Bbm**

You make me sick, I make it worse by drinking late.

[Pre-Chorus]

(scream, scream)

**G#**

Until there s nothing left,

**Bbm**

So sick of playing, I don t want to anymore.

**F#**

The thought of you is no fucking fun,

**Ebm**

You want a martyr, I ll be one

**G#**

**Bbm**

Because enough s enough, we re done.

[Chorus]

**F#**

You told me think about it, well, I did

**Ebm**

Now I don t wanna feel a thing anymore

**F**

I m tired of begging for the things that I want,

**Bbm**

I m over sleeping like a dog on the floor.

**F#**

Imagine living like a king someday,

**Ebm**

A single night without a ghost in the walls

**F**

And when the bass shakes the earth underground,

**Bbm**

We ll start a new revolution, now

[Bridge]

(alright, here we go)

**Bbm**

Hail Mary, forgive me,

**G#m#**

Blood for blood, hearts beating

**Bbm** **G#m#**

Come at me, now this is war

(fuck with this new beat)

**Bbm** **Am** **Bbm** **Am** ----At this part just strum as you please before  
OH the bridge comes in, but make sure each chord  
gets only four beats before going back in

**Bbm**

Now, Terror begins inside a bloodless vein

I was just a product of the street youth rage

**G#m#**

Born in this world without a voice or a say

Caught in the spokes with an abandoned brain

**Bbm**

I know you well but this ain t a game

Blow the smoke in a diamond shape

**G#m#**

**F**

**Bbm**

Dying is a gift so close your eyes and rest in peace

[Chorus]

**Bbm**(five strums, then mute) **F#**(five strums, then mute)

You told me think about it, well I did

**Ebm**(five strums, then mute)

Now I don t wanna feel a thing anymore

**F**(five strums then mute)

I m, tired of begging for the things that I want

**Bbm** (back to regular strumming pattern)

I m oversleeping like a dog on the floor

**Bbm**

**F#**

Imagine living like a king someday

**Ebm**

A single night without a ghost in the walls

**F**

We are the shadows screaming take us now

**Bbm**

We d rather die than live to rust on the ground

(shit)
