

**Kissing In Cars**  
**Pierce the Veil**

[Verse 1]

**G**

As we wake up in your room

**D**

Your face is the first thing I see

**Em7**

The first time I ve seen love

**Cadd9**

And the last I ll ever need

[Verse 2]

**G**

You remind her that your future

**D**

Will be nothing without her

**Em7**

Never lose her, I m afraid

**Cadd9**

Better think of something good to say

[Pre-Chorus]

**G**

**D**

But it s all been done more than once

I ll keep on trying

**Em7**

**Cadd9**

Oh god don t let me be the only one who says

[Chorus]

**G**

**D**

No, at the top of our lungs there s no

No, such thing as too young

**Em7**

**Cadd9**

Second chances won t leave you alone

**G**

Then there s faith in love

[Verse 3]

**G**

She was always the one

**D**

I ll repeat it again, the one

No such thing as too young

**Em7**

Red lights flashing on the car we re kissing in

**Cadd9**

**G**

Call me crazy, I ve always tried to remind her

[Verse 4]

**D**

**Em7**

That the future s just a few heartbeats away from disaster

**Cadd9**

I m afraid that I ve thrown it all away

[Chorus]

**G**

**D**

No, at the top of our lungs there s no

No, such thing as too young

**Em7**

**Cadd9**

Second chances won t leave you alone

**G**

**D**

No, at the top of our lungs there s no

No, such thing as too young

**Em7**

**Cadd9**

Second chances won t leave you alone

**G**

**D**

No, we ll repeat it again, there s no

No such thing as too young

**Em7**

**Cadd9**

Second chances won t leave you alone

**G**

Cause there s faith in love

[Outro]

If you kiss me goodnight

**D**

I ll know everything is alright

**Em7**

**Cadd9**

Second chances won t leave us alone

**Em7**

Won t leave us alone

**G**

Cause there s faith in love
