

Props And Mayhem
Pierce the Veil

C

Self medicate

While they sleep we let the night chase

Am

Evil things away

F

And we re like animals homesick from shows

G

We ve got to kill everything before the night gets wasted

[The chords stay the same for the verses]

Maybe it seems so strange

But we don t even stress at all

Cause we ve got

Poison in our welss

Chorus:

C

Burst into flames

Am

Scream in the dark

F

I m gonna light up this place

G

And die in beautiful stars

C

Tonight

Chords are the same throughout the rest of the song. Sorry if they re not right
