

H.o.g.! H.o.g.! H.o.g.!

Pierre Simões

**E**

Just like the medieval warriors

**D**

And the dreaded Knights Templar

**B**

We are a great fraternity.

**A**

United for many adventures

**E**

We always support each other

**D**

We never left a brother

**B.**

We always travel together

**A**

In all the ways of the world

**C**

**G**

Crossing plains, crossing roads,

**D**

On two wheels

**C**

**G**

Running on the railways,

**D**

In the dust

**C**

**G**

We do not fear the heavy rain.

**D**

Or the cold

**C**

**G**

Nor the worst misfortune

**B**

**E**

It makes us afraid

**E**

In our community,

**D**

We have our own values,

**B**

We respect the young girls,

**A**

And the older siblings

**E**

We do not discriminate by creed

**D**

Or race, or any nation

**B**

Just be what you want to be

**A**

It is all about you

**E**

This is our war cry - H.O.G.! H.O.G.! H.O.G.!
