

**My Muse On The Rump**

**Pierre Simões**

**E**  
She strips naked for a shower.  
Warm water licks your cinnamon skin

**A**  
The soap slides over the soft tits  
Then it goes down in her delicious pussy

**E**  
Then it gets tasty on her buttocks  
Suddenly she realizes that I desire her ardently

**B**  
She looks at me with lustful eyes,

**A**  
A mischievous grin appears on her face.

**E**  
She finishes her bath,

**A**  
And comes to me

**B**  
Wrapped in a fluffy towel (she s hot)

**E**  
She drops the bath towel, slowly,  
She lays down on the bed, opening her hot legs

**A**  
She invites me, burning with wild desire  
I want to flick my tongue on her clitty

**E**  
I squeeze her boobs sensuously  
I also suck your beautiful nipples

**B**  
She gives me the best blow job I have ever had before

**A**  
Wow, I love it when she sucks me like that  
This is fanfuckingtastic!

**E**  
She drives me wild

**A**  
She makes me hot

**B**  
She lights my flame

**C**  
I put my cock so deep

**B**  
She is horny and she moans with relentless delight

**C**  
She rolls her blue eyes so quickly

**B**

And gives me a leg s hug and a wet tongue kiss

**A**

It asks me deeper and stronger,

**G**

Again and again, Please, don t stop , She begs me

**F**

Your body shakes and shivers (from so much excitement)

**B**

I fuck this girl until both come hard

**E**

(Yeah! She is a good lay!)

**E**

After we fucked all night many and many times  
She turns to the side and sleeps like an angel.

**A**

While sleeping, she shows a soft smile on her face.  
I can still taste of her sex in my mouth.

**E**

In the next morning, she gets ready to travel  
She puts her belongings in the backpack  
(And our hottest moments)

**B**

She gets on the rump of the bike, my pretty sugar baby

**A**

Let us go to new roads that the world is ours,
