

**Alright
Pilate**

Tabbed By: Eric
Artist: Pilate
Song Title: Alright

Hi, I know many people say that this is my first tab and all so dont get mad at me if wrong...but i think i tabbed this song pretty darn good. :)

without further adue, here are the chords for the song. STANDARD Tuning.

F	Dm	Am	C
--1--	--1--	--0--	--0--
--1--	--3--	--1--	--1--
--2--	--2--	--2--	--0--
--3--	--0--	--2--	--2--
--3--	-----	-----	--3--
--1--	-----	-----	-----

The song pretty much follows this pattern throughout the whole song:

F, Dm, Am, C

I ll give you the starting lines...

F **Dm**
And tonight I lack the strength to even move..

Am **C**
You walked, and watched me die..

F **Dm**
But I know this is harder for you...

Am **C**
For love has let you down..

CHORUS:

F **Dm**
And I can t feel you...

Am **C**
I m not alright, I m not alright...

Again, follow that pattern for the whole song and you should be good to go!

If you want the melodic parts, I ve tabbed them for you as well. i m not gonna

tab all
counts, but this is basically it.

```
e -8-8-8-8-8-8-8-8-8----5-5-5-5--6-6-6-6----8-8-8-8-8-8-8-8----3-3-3-3--|  
B -----|  
G -----|  
D -----|  
A -----|  
E -----|
```

that s it! enjoy :)
