So keep your promise to me  
Tonight, tonight  
Where have your eyes betrayed you?  
Oh tonight, oh tonight

You sell your secrets to me  
For a price, for a price  
You run your blade right through me  
My fears die, leaving yours alive  
And though your lips pursue me  
In the shadow of your eyes  
Love and fear collide

Not sure, about you  
Not sure, about you

It s not too late can we open the gate  
Girl I ve been here before  
I ve walked across these floors

My fears run  
what are you running from? (x3)  
My tears run  
what are you running from? (x3)
