This chord progression is played throughout the entire song

Tonight I lack the strength to even move  
You walked, you watched me die  
But I know this is harder for you  
For love has let you down, yeah come on

The road ahead is lined with broken dreams  
So walk, walk on by  
And I fail to give you everything you need  
For the fears behind your eyes  
And I can t feel you  
I m not alright, I m not alright  
When I can t heal you  
I m not alright, I m not alright, I m not alright

And I can t feel you  
I m not alright, I m not alright, I m not alright

Jesus as you throw me on the rocks  
For love, I left your side  
For I believed in love and beauty s walls  
When heaven shined from your eyes

So tell me that it wasn t all for not  
You re such a waste now, you re such a waste now come on  
Cause I know your scared but baby don t shy  
You re such a waste  
And I stand alone now, and you ll make it somehow
