Title: Wherever the Wind Blows
tabbed by : rajha tahir

C/G **F**
I hear a voice in the autumn breeze
C/G
Telling me that I need to leave
F **C/G**
But I can't fly with these broken wings
F
The leaves they move like poetry
C/G
It's all still such a mystery
F **Am**
But I can finally hear the melody
G
I've been here for so long
F
I think it's time I moved on
Am
So tell me where it is that I need to be

CHORUS

C/G **F**
Where ever the wind blows
Am **C/G**
You will find me there
Eb **Bb** **C/G**
Standing exactly where I wanna be

Wasting time here is killing me
Waiting here for the remedy
So I can hear the sound of angels sing

I need something to carry me
To a place that I've never seen
Cause right here I've seen all there is to see
G-A-G-A-Bb-A
I've been waiting, waiting for the day
So can you carry me away
You elevate me
How far can you take me carry me away
