

You Should Know Intro  
Pillar

my band and i are goin to Baton Rouge to play in a all day concert thing.  
so i had to tab out the bass part. hope it satisfies. not 100% accurate but  
pretty dang close. check it out!!!

(That means that you slide down to )  
( the 5th fret but don t play the 5th fret. )  
(Just come off the string around the 5th fret )  
( then hit that harmonic. Oh and yes that is )  
( Supposed to be a slide from 9 to 10 not )  
( A hammer-on like it has been. )
