

**One Life
Pillows**

Album: Little Busters
Band: The Pillows

I wanted a chord sheet for this song for simplicity s sake. There only seems to be tabs for this song and none of them have lyrics. I got the romanji from Shinobi Chirlind-Byouko (Anime Lyrics dot Com). This song was featured in the television adaptation of Furi Kuri (FLCL). If you need a strumming pattern or more detailed tabs, there s several good ones on this site. This is just intended as a simplified version.
