

Bluff
Pilot Speed

My second Pilate tab, guys! :D This is the best song off of this album. Enjoy (:

G **Am**
It ain t kind and it ain t right,
F **C**
but when you wore away the shine what did you find...
G **Am**
Still you would say you re not afraid,
F **C** **D**
to lay down your bones on the bed you made...

Em **C** **G** **D**
Someone made a sound, it turned you right round,
Em **C** **G** **D**
I wasn t cold enough to care, but brother I dared

Em **C** **G** **D**
See it tear you u-u-up,
Em **C** **G** **D**
and it calls your blu---uff
Em **C** **G** **D**
When the lie that keeps you warm,
Em **C** **G** **Am**
is the truth you re counting on

G **Am**
There s a shadow in the sun,
F **C**
and it crawls along the path in whence you ve come
G **Am**
It s not as clear as you had planned
F **C** **D**
Feel the sun go down, turn and make your stand

Em **C** **G** **D**
Someone made a sound and it turned you right round
Em **C** **G** **D**
I wasn t cold enough to care, but brother I dared
Em **C** **G** **D** **Em** **C** **G** **D**
See it tear you u----p, and it calls your blu-----ff
Em **C** **G** **D** **Em** **C** **G** **Am**
When the lie that keeps you warm, is the truth you re counting on
