(INTRO) **C#**, **Eb**, **G#**

Bb **G#**
They paved paradise and put up a parking lot
Bb **G#**
With a pink hotel, a boutique, and a swinging hot spot...

G# **Eb**
Don't it always seem to go
F# **C#**
That you don't know what you got 'til it's gone?
Bb **C#** **G#**
They paved paradise and put up a parking lot.

Bb **G#**
They took all the trees and put them in a tree museum
Bb **G#**
And they charged all the people a dollar and a half just to see 'em...

Bb **G#**
Hey farmer farmer put away that DDT.
Bb **G#**
Give me spots on my apples but leave me the birds and the bees
Please!

Bb **G#**
Late last night I heard a screen door slam,
Bb **G#**
And a big yellow taxi took away my old man...
