Not sure about the lyrics, but I believe it's correct!

Intro:

G# C Bb C# D#D# x2

Verse:

G# C# D#
Yeah, we say making changes starts in the little things you do
G# C# D#
Revolution begins at home, but for most of us it ends there too,
Chorus:

F C#
And doing something, we're making changes
F C#
Like changing the brand of crap we buy
F C# D#
We say it makes a difference, but that's just another lie!

Intro again:

G# C Bb C# D#D# x2

Verse:

G# C# D#
It used to be us and them and you and me
G# C# D#
and now we can't reach our potential without a common enemy

Chorus:

F C#
A real war to fight against
F C#
Instead of our petty disagreements
F C# D#
How can I rationalize my life during wartime lie

Bridge:

C# G# F# G# x3
C# D# x1

Bridge-verse:

C# G# F# G#
A calmer action and no reaction
