

On The Ave
Pinhead Gunpowder

D(let ring)

D G A D
We chased each other wet + soggy like a crashing wave
D G A D
Grey + filthy in the gutter breaking all over the place
D G A
Down the Ave. in the pouring rain
G A
Saying, even more! even more!

D G A
At the reservoir you impaled your wrist
D G A
On razor wire climbing the fence
D G A
I cut my thumb trying to
G A
Climb into the blind-deaf school

D G A D
We were a mess, bloody and half-undressed
D G A D
In the shelter of the shadows of the Frisbie Street creek
G A
A canopy of trees and leaves
G A
With us hidden underneath

DDD A

D G A
Time rolls over me
D G A
Time rushes over me
D G A
Why try to run so fast
G A
It still passes you by

D G A
I had some friends, a psychotic couple
D G A
They had a room in a residential hotel
D G A
They fought in the bed
G A

While we fucked on the floor

Why talk about what could have been			
D		G	A
Why walk around lost reliving moments			
D	G	A	
Why walk around at all

When it s easier to drive a car
