On The Ave
Pinhead Gunpowder

C#(let ring)

C#   **F#**   **G#**   **C#**
We chased each other wet + soggy like a crashing wave
C#   **F#**   **G#**   **C#**
Grey + filthy in the gutter breaking all over the place
C#   **F#**   **G#**
Down the Ave. in the pouring rain
            F#   **G#**
Saying, even more! even more!

C#   **F#**   **G#**
At the reservoir you impaled your wrist
C#   **F#**   **G#**
On razor wire climbing the fence
C#   **F#**   **G#**
I cut my thumb trying to
F#   **G#**
Climb into the blind-deaf school

C#   **F#**   **G#**   **C#**
We were a mess, bloody and half-undressed
C#   **F#**   **G#**   **C#**
In the shelter of the shadows of the Frisbie Street creek
        F#   **G#**
A canopy of trees and leaves
F#   **G#**
With us hidden underneath

DDD **G#**

C#   **F#**   **G#**
Time rolls over me
C#   **F#**   **G#**
Time rushes over me
C#   **F#**   **G#**
Why try to run so fast
F#   **G#**
It still passes you by

C#   **F#**   **G#**
I had some friends, a psychotic couple
C#   **F#**   **G#**
They had a room in a residential hotel
C#   **F#**   **G#**
They fought in the bed
F#   **G#**

While we fucked on the floor

C#   **F#**   **G#**
We d only slept an hour together when
C#   **F#**   **G#**
The manager set the place ablaze
C#   **F#**   **G#**
I awoke to the smoke and flames
     F#   **G#**
And had to kick down the door

DDD **G#**

C#   **F#**   **G#**
Time rolls over me
C#   **F#**   **G#**
Time rushes over me
C#   **F#**   **G#**
Why try to run so fast
F#   **G#**
It still passes you by

C#   **F#**   **G#**
Why talk about what could have been
C#   **F#**   **G#**
Why walk around lost reliving moments
C#   **F#**   **G#**
Why walk around at all
            F#   **G#**
When it s easier to drive a car

C#   **F#**   **G#**   **C#**
We chased each other wet + soggy like a crashing wave
C#   **F#**   **G#**   **C#**
Grey + filthy in the gutter breaking all over the place
C#   **F#**   **G#**
Down the Ave. in the pouring rain
          F#(ring) **G#**(ring)
Saying, even more! even more!
