Pinhead Gunpowder

E(let ring)

E A B E
We chased each other wet + soggy like a crashing wave
E A B E
Grey + filthy in the gutter breaking all over the place
E A B
Down the Ave. in the pouring rain
A B
Saying, even more! even more!

E A B
At the reservoir you impaled your wrist
E A B
On razor wire climbing the fence
E A B
I cut my thumb trying to
A B
Climb into the blind-deaf school

E A B E
We were a mess, bloody and half-undressed
E A B E
In the shelter of the shadows of the Frisbie Street creek
A B
A canopy of trees and leaves
A B
With us hidden underneath

E A B
Time rolls over me
E A B
Time rushes over me
E A B
Why try to run so fast
A B
It still passes you by

E A B
I had some friends, a psychotic couple
E A B
They had a room in a residential hotel

They fought in the bed
A B

While we fucked on the floor

When it s easier to drive a car
