

Cirrus Minor
Pink Floyd

Em **Eb** **G/D** **C#m7** **C7**
In a churchyard by a river, lazing in the haze of midday,
Cm7 **B7** **Em**
Laughing in the grasses and the graze.
Em **Eb** **G/D** **C#m7** **C7**
Yellow bird, you are not alone in singing and in flying on,
Cm7 **B7** **Em**
In laughing and in leaving.

Em **Eb** **G/D** **C#m7** **C7**
Willow weeping in the water, waving to the river daughters,
Cm7 **B7** **Em**
Swaying in the ripples and the reeds.
Em **Eb** **G/D** **C#m7** **C7**
On a trip to__ Cirrus Minor, saw a crater in the sun
Cm7 **B7** **Em**
A thousand miles of moonlight later.
