C#m  
Overhead the albatross  
      G#m  
Hangs motionless upon the air  
      F#m  
And deep beneath the rolling waves  
      G#  
In labyrinths of coral caves  
      C#m  
The echo of a distant tide  
      G#m  
Comes willowing across the sand  
      F#m    G#  
And everything is green and submarine

      C#  
And no one showed us to the land  
      G#  
And no one knows the wheres or whys  
      F#m  
But something stirs and something tries  
      G#    A  
And starts to climb towards the light

C#m  
 Strangers passing in the street  
 G#m  
 By chance two separate glances meet  
 F#m G#m  
 And I am you and what I see is me  
 C#m  
 And do I take you by the hand  
 G#m  
 And lead you through the land  
 F#m G#m  
 And help me understand the best I can

C#  
 And no one calls us to move on  
 G#  
 And no one forces down our eyes  
 F#m  
 And no one speaks and no one tries  
 G# A  
 And no one flies around the sun

( C#m A C#m A )

 ( Bm F#m Bm/D E4 )  
 ( C#m G#m E F# )  
 ( C#m G#m E F# )

C#m G#m  
 Cloudless everyday you fall upon my waking eyes  
 F#m G#

Inviting and inciting me to rise

C#m

And through the window, in the wall

G#m

Come streaming in on sunlight wings

F#m

G#

A million bright ambassadors of morning

C#

And no one sings me lullabies

G#

And no one makes me close my eyes

F#m

So I throw the windows wide

G#

A

And call to you across the sky
