```
 A                               D
So ya, thought ya might like to go to the show
 A                                      D
To feel that warm thrill of confusion, that space cadet glow
A
I ve got some bad news for you sunshine
 Bm
Pink isn t well, he stayed back at the hotel
C#m
And they sent us along as a surrogate band
  E
We re gonna find out where you fans really stand
A                                         D
Are there any queers in the theater tonight? Get them up against the wall!
(Get them all!)
    A                                                        D
There s one in the spotlight, he don t look right to me! Get him up against the
wall!
(Get them all!)
   A
That one looks Jewish! And that one s a coon!
   Bm
Who let all of this riff-raff into the room?
   C#m
There s one smoking a joint, and another with spots!
E
If I had my way, I d have all of you shot!
