**D**

**A**

Everybody wakes and in the morning

**D**

**A**

hot tea and can't stop yawning

**G**

**D**

Pass the butter please

**D**

**A**

Have you ever read the daily standard?

**D**

**A**

Reading all about the plane that's landed

**G**

**D**

Upside down?

pre-chorus

**Bb**

**A**

And no one knows what i did today

**Bb**

**D**

there can be no other way

**B7**

but i would just like to say

chorus

Verse 2

**D**                                    **A**  
Everybody cares about the weather

**D**                    **A**  
And everybody should know better

**G**                                    **D**  
What a waste of time

**D**                                    **A**  
Everybody lives beneath the ceiling

**D**                                    **A**  
Living out a dream that sends them reeling

**G**                                    **D**  
To a distant place

pre-chorus

**Bb**                                    **A**  
And no one knows what i did today

**Bb**                                    **D**  
there can be no other way

**B7**  
but i would just like to say
