

On The Turning Away
Pink Floyd

On the turning away
From the pale and downtrodden
And the words they say
Which we won't understand
Don't accept that what's happening
Is just a case of others suffering
Or you'll find that you're joining in
The turning away

G
It's a sin that somehow
C Em
Light is changing to shadow
D G
And casting its shroud
C
Over all we have known
Em C G
Unaware how the ranks have grown
Em G C
Driven on by a heart of stone
G C Em
We could find that we're all alone
D G
In the dream of the proud
Em D G
On the wings of the night
C Em
As the daytime is slurring
D G C
Where the speechless unite In a silent accord

G C Em
Using words you will find are strange
G Em C
And mesmerized as they light the flame
G C
Feel the new wind of change
Em D G
On the wings of the night

Em D G
No more turning away
C Em

From the weak and the weary

Em D G C
No more turning away From the coldness inside

G C Em
Just a world that we all must share

G Em C
It s not enough just to stand and stare

G C Em
Is it only a dream that there ll be

D G
No more turning away?
