Pink Floyd - The Dogs Of War (Gilmour, Moore)

**Cm**  
Dogs of war and men of hate, with no cause, we don t discriminate  
Discovery is to be disowned, our currency is flesh and bone

**Ebm**  
Hell opened up and put on sale, gather round and haggle

**Cm**  
For hard cash, we will lie and decieve  
Even our masters don t know the web we weave

**Ab** **Fm**  
One world, it s a battleground. One world, and we will smash it down.

**Cm**  
One world... One world

**Cm**  
Invisable transfers, long distance calls, hollow laughter in marble halls  
Steps have been taken, a silent uproar has unleashed the dogs of war

**Ebm**  
You can t stop what has begun, signed, sealed, they deliver oblivion

**Cm**  
We all have a dark side, to say the least  
And dealing in death is the nature of the beast

**Ab** **Fm**  
One world, it s a battleground. One world, and they smash it down.

**Cm**  
One world... One world

The dogs of war don't negotiate, the dogs of war won't capitulate,

They will take and you will give, and you must die so that they may live

**Ebm**

You can knock at any door,

But wherever you go, you now they've been there before

**Cm**

Well winners can lose and things can get strained

But whatever you change, you know the dogs remain

**Ab**

One world, it's a battleground

**Fm7**

**G7sus4**

One world, are we gonna smash it down

**Cm**

One world... One world
