

The Narrow Way
Pink Floyd

Intro: C Gmaj7 C Emadd9

Am Am/G Am/F
Following the path as it leads toward
Am5- D D/D#
The darkness in the north
Am Am/G Am/F
Weary stranger s faces show their sympathy
Am5- D D/D#
They ve seen that hope before
A D
And if you want to stay for a little bit
A D
Rest your aching limbs for a little bit
E/D
For you the night is beckoning
D
And now you can t delay

E/D
You hear the night birds calling you
F/D
But you can t catch the words they say
E/D D A
And you realize you must be on your way

Am Am/G
Mystery swelling, creatures crawling
Am/F Am5- D D/D# D
Hear the roar get louder in your ears
Am Am/G
You know the folly was your own
Am/F Am5- D D/D# D
But the force behind can t conquer all you fears

A D
And if you want to stay for a little bit
A D
Rest your aching limbs for a little bit

E/D
For you the night is beckoning
D
And now you can t delay
E/D
You hear the night birds calling you
F/D

But you can't catch the words they say

E/D **D** **A**

And you realize you must be on your way

Am **Am/G**

Throw your thoughts back many years

Am/F **Am5-** **D** **D/D#** **D**

To the time when love was life with every morning

Am **Am/G**

Perhaps a day will come,

Am/F **Am5-** **D** **D/D#** **D**

When the match for me the curlers past warning

A **D**

And if you want to stay for a little bit

A **D**

Rest your aching limbs for a little bit

E/D

For you the night is beckoning

D

And now you can't delay

E/D

You hear the night birds calling you

F/D

But you can't catch the words they say

E/D **D** **A**

And you realize you must be on your way

(**Am** **Am/G** **Am/F** **Am5-** **D** **D/D#**)
