```

F#m                A                Riff 1
Ticking away the moments that make up a dull day
      E                                F#m    Riff 2
You fritter and waste the hours in an off hand way
F#m                A                Riff 3
Kicking around on a piece of ground in your home town
E                                F#m
Waiting for someone or something to show you the way

```

```

D7+
Tired of lying in the sunshine
A7+
Staying home to watch the rain
D7+
You are young and life is long
A7+
And there is time to kill today
D7+
And then one day you find
C#m7
Ten years have got behind you
Bm7
No one told you when to run
Riff 4                E
You missed the starting gun

And you run and you run to catch up with the sun, but it s sinking
  E                                     F#m           Riff 2
And racing around to come up behind you again
  F#m                                     A                               Riff 6
The sun is the same in the relative way, but you re older
  E                                     F#m
And shorter of breath and one day closer to death

```

```

D7+
Every year is getting shorter
  A7+
Never seem to find the time
  D7+
Plans that either come to naught
  A7+
Or half a page of scribbled lines
  D7+
Hanging on a quiet desperation
C#m7
Is the english way
  Bm7
The time is gone, the song is over
  B7(9+)                               B7(9-)
Thought i d something more to say

```

[Em9 A7]

```

Em9           A7       A7/4   A7
  Home, Home again
Em9                               A7
  I d like to be here when I can
Em9                               A7
  When I come home cold and tired
Em9                               A7
  It s good to warm my bones beside the fire
  C7M/G
Far away, across the field,
  Bm7
The tolling of the iron bell
  F7M/C
Call the faithful to their knees,
  G6/D           D7(9+) D7(9-)   Bm
To hear the softly spoken magic spells

```
