Wearing the Inside Out

Tomas Vazquez (tomi\_vazquezz@hotmail.com)

Her you are...

**Cm Ab**

From morning to night I stayed out of sight

**Gm F**

Didn't recognize I'd become

**Cm Ab**

No more than alive I'd barely survive

**Gm F**

In a word...overrun

**Cm**

Won't hear a sound

**Ab**

From my mouth

**Cm**

I've spent too long

**Ab**

On the inside out

**Cm**

My skin is cold

**Ab**

To the human touch

**Cm**

This bleeding heart's

**Ab**

Not beating much

**Cm Ab**

I murmured a vow of silence and now

**Gm F**

I don't even hear when I think aloud

**Cm Ab**

Extinguished by light I turn on the night

**Gm F**

Wear its darkness with an empty smile

**Fm**

I'm creeping back to life

**Cm**

My nervous system all awry

**Ab Gm**

I m wearing the inside out

**Cm Ab**

Look at him now, he s paler somehow

**Gm F**

But he s coming round

**Cm Ab**

He s starting to choke, it s been so long since he spoke

**Gm F**

Well he can have the words right from my mouth

**Cm**

And with these words

**Ab**

I can see

**Cm**

Clear through the clouds

**Ab**

that covered me

**Cm**

Just give it time

**Ab**

then speak my name

**Cm**

Now we can hear

**Ab**

ourselves again

**Cm**

I m holding out

**Ab**

For the day

**Cm**

When all the clouds

**Ab**

Have blown away

**Cm**

I m with you now

**Ab**

Can speak your name

**Cm**

Now we can hear

**Ab**

Ourselves again
