Verse: **Gm** " **Dm** " **Cm** " **D#**

Gm **Dm** **Cm** **D#**

Comes a time, comes a shadow

Gm **Dm** **Cm** **D#**

Comes a devil, calls your name

Gm **Dm** **Cm** **D#**

Can t you hear his echoing paces

Gm **Dm** **Cm** **D#**

Cold fingers point on you

Gm **Dm** **Cm** **D#** " [repeat the same chords)

Icy sounds cry into the night

Just a puppet in their play

A lonesome king calls his lonely crowd

Calls you home into decay

Chorus: **Cm** " **D#**

Cm **D#**

I coldly stare out to the sky

Gm **Dm** **Cm** **D#** " [repeat the same chords)

Someone s waiting someone smiles

Try to hide, try to turn away

You ve got no chance to save your health

No chance to end up that old game

Cm **D#**

I coldly stare out to the sky

 Another day, another life

 Relentless words are driving mad

 I coldly stare out to the sky
