Verse: **G#m** " **Ebm** " **C#m** " **E**

G#m **Ebm** **C#m** **E**

Comes a time, comes a shadow

G#m **Ebm** **C#m** **E**

Comes a devil, calls your name

G#m **Ebm** **C#m** **E**

Can t you hear his echoing paces

G#m **Ebm** **C#m** **E**

Cold fingers point on you

G#m **Ebm** **C#m** **E** " [repeat the same chords)

Icy sounds cry into the night

Just a puppet in their play

A lonesome king calls his lonely crowd

Calls you home into decay

Chorus: **C#m** " **E**

C#m **E**

I coldly stare out to the sky

G#m **Ebm** **C#m** **E** " [repeat the same chords)

Someone s waiting someone smiles

Try to hide, try to turn away

You ve got no chance to save your health

No chance to end up that old game

C#m **E**

I coldly stare out to the sky

G#m **Ebm** **C#m** **E**
 I get no time to pray a farewell, farewell
 Another day, another life
 A broken mirror cuts your face
 Relentless words are driving mad

C#m **E**
 I coldly stare out to the sky
