Can t you hear his echoing paces
Fm **Cm** **Bbm** **C#**
Cold fingers point on you

Icy sounds cry into the night
Just a puppet in their play
A lonesome king calls his lonely crowd
Calls you home into decay

You ve got no chance to save your health
No chance to end up that old game

I get no time to pray a farewell, farewell
Another day, another life
A broken mirror cuts your face
Relentless words are driving mad
