Letra y acordes de Whatever You Want

(Lyric and chords by *Alecia Moore Max Martin Shellback*)

Intro

SOL

Ok... (So)

SOL

Running like a dog fighting like a bitch too much  
And you just can t stand it baby

RE

Even when I fall you don t seem to give two sh\*ts  
Cause you re just too cool baby

MIm

We could have it all neither one of us would budge

SOL

Cause we can t be wrong baby

RE

Folding up your arms, closing up your heart

MIm

I know I know I know you think it s me,

SOL

cause I want it all

RE

I know I know I know I know you see, do we gotta talk

MIm

Now you know you know

SOL

RE

we must believe, I ll fall apart.

RE

I feel like our ship s going down tonight

SIm

LA

But it s always darkest before the light

SOL

And that s enough for me to try

REm

Whatever you want, whatever you need

RE

Whatever you do, ah-ah-ah

Even if I say that it s over now

SIm

LA

Even if we want to move on somehow

SOL

And just like that we come alive  
REm  
Whatever you want, whatever you need  
Whatever you do, ah ah ah.

MIm  
Trynna to get a breath

SOL

Thinkin bout the time you said that I was your heart baby  
RE  
Trynna understand how a grown man goes on without a body part  
MIm  
I could walk away

SOL

I could always cash my chips baby and I d be okay baby  
RE  
I would be okay, and you might be okay.

MIm  
I know I know I know you think it s me,  
SOL  
cause I want it all  
RE  
I know I know I know I know you see, do we gotta talk  
MIm  
Now you know you know  
SOL  
we must believe, you re enough for me.

RE  
I feel like our ship s going down tonight  
SIm  
But it s always darkest before the light  
SOL  
And that s enough for me to try  
RE REm  
Whatever you want, whatever you need

LA

RE  
Whatever you do, ah-ah-ah  
Even if I say that it s over now  
SIm  
Even if we want to move on somehow  
SOL  
And just like that we come alive  
REm  
Whatever you want, whatever you need  
Whatever you do, ah ah ah.

LA

MIm  
Whoever said that love was sweet  
SOL  
(Drank a little too much whiskey baby)  
RE

Whoever said that life was easy  
(Never leaved anywhere with me)  
MIm  
I wouldn t change a thing  
SOL  
Cause you re the one I wanna sync with

RE  
I feel like our ship s going down tonight

SOL  
But it s always darkest before the light  
SOL

And that s enough

RE  
even if I say that it s over now

SIm  
Even if we want to move on somehow  
SOL

And just like that we come alive

REm  
Whatever you want. whatever you need

RE  
Whatever you do, ah ah ah...

MIm  
Whatever you want, whatever you need

SOL  
Whatever you do, oh oh oh...

REm  
Whatever you want. whatever you need

RE  
Whatever you do, ah ah ah...

MIm  
Whatever you want, whatever you need

RE  
Whatever you do, oh oh oh...
