

Hush Hush
Pistol Annies

Capo on fourth.

G

My brother got out of rehab

D

Right around Christmas time

Mama made a turkey

G

Daddy was worried he was gonna have to break up a fight

C

Everybody was walking on eggshells

D

Drinking eggnog instead of beer

G

We were holding our tongues scratching our heads

D

Wondering how the hell we got here

G

Hush hush don t you dare say a word

C

Hush hush don t you know the truth hurts

D

Hush hush when push comes to shove

G

It s best to keep it hush hush

G

We were sitting around the dinner table

D

And we were eating our pumpkin pie

While the sugar coated

G

Pretty little secret was eating everybody alive

C

Well daddy s reading propaganda

D

And he s talking about the end of days

G

Well cheers to the vodka mama s been sneaking

D

Let s all gather around and pray

G

Hush hush don t you dare say a word

C

Hush hush don t you know the truth hurts

D

Hush hush when push comes to shove

G

It s best to keep it hush hush

G

So I snuck at behind the red barn

D

And I took myself a toke

Since everybody here hates everybody here

G

Hell I might as well be the joke

C

I m gonna dance up on the table

D

Singing this little light of mine

G

God gave it to me what good s it gonna do me

D

If I don t by God let it shine

G

Hush hush don t you dare say a word

C

Hush hush don t you know the truth hurts

D

Hush hush when push comes to shove

G

It s best to keep it hush hush

G-D **G**

Hide your tattoo

C

Put on your Sunday best

Pretend you re not a mess

D

Be the happy family in the front pew

G

Hush hush don t you dare say a word

C

Hush hush don t you know the truth hurts

D

Hush hush when push comes to shove

G

It s best to keep it hush hush

G

Don t you dare say a word

C

Hush hush don t you know the truth hurts

D

Hush hush when push comes to shove

G

It s best to keep it hush hush

Best to keep it hush hush
