

Bizarre Love Triangle
Pitty

(**F G Em F**)

Every time I think of you
I get a shot right through into a bolt of blue
It s no problem of mine but it s a problem I find
Living a life that I can t leave behind
There s no sense in telling me
The wisdom of a fool won t set you free
But that s the way that it goes
And it s what nobody knows
And every day my confusion grows

(**F G Em F**)

Every time I see you falling
I get down on my knees and pray
Waiting for that final moment
You say the words that I can t say
