

Just Now
Pitty

Intro 2x: **A A9 A A9 E**

A E
My child, so much to learn

A E
Feel my breast feed yourself, feeding me

F#m F
So let me spoil you, let me adore you

A A7
Now, and just now

D
?Cause I know someday

E
I?ll have to let you go

A E
And you know, I?ll be your home if you need

A E
And take your time, just like the way that should be

F#m F
What am I supposed to do? Besides watch you sleep

A A7
Now, and just now

D
I?m running through de field

E A
Before I let you go

D E
Then the season changes

A F#m
When the need becamas

D E
You?re just blooming now

F G
Carefully, beautifully

A E
Even when you won?t be around

A E
Remember you have heard this sound

D Dm
It was about how I cared and how I felt

A A9 A7
Then, and just then

D
Maybe you realize

E A
That I?ll never let you go

E A

That I'll never let you go

D

Dm A

I will not let it go!
