

Catching Snowflakes

Pixie Lott

I was looking up the chords to this song and i realised no one had submitted chords to this song! So I tried it out , and my version sounds good with the song .

C

Though it s over now

And I cope somehow

Am

F

In the cold wind s blow

C

I hear you

C

What is now a dream

For a while it was real

Am

F

And I can t conceal that

C

I miss you

C

Am

But our love was like catching a snowflake

F

As it reached our hands

C

It was ready gone

C

Though our case is closed

I keep chasing ghosts

Am

F

Every time it snows

C

I see you

C

And I feel no cold

As you lend me your coat

Am **F**
through the pale white glow

C
I feel you

C **Am**
But our love was like catching a snowflake

F
As it reached our hands

C
It was ready gone

C **Am**
This love was not ours to take

F
It was fated to break

C
Thought it was beautiful

C
But I lost you on the way down

Even though I tried so hard

Am **F**
To be with you to hold on to

C
You with all my broken heart

C
But I lost you on the way down

C
But our love was like catching a snowflake

Am **F**
As it reached our hands

C
It was ready gone

C
This love was not ours to take

Am **F**
It was fated to break

C
Thought it was beautiful

(: hope you had fun!
