Cause you re too fly
E **D** **E**
Wastin the love that you re givin
A **E** **D**

Goodnight and goodbye

You say that you were only into to me
But that s not the truth, yeah
Cause I see the proof, yeah
I saw you eyein up the girl next door
If that s how you play it, all i can say is

You proved me right

Goodnight, goodbye
Baby we re done
Cause you re too fly
Wastin the love that you re givin
Baby i aint livin a lie
Goodnight and goodbye

A **E**
You ve been sittin on the fence for too long,
D **G**
But you re outta time (yeah)

Goodnight, goodbye
Baby we re done
