

**Gravity**  
**Pixie Lott**

**F**  
I know that I still haven't found you,  
**Eb**  
And when I wanna stand on my own too  
**Bb**  
Suddenly you start to show  
**Bb**  
Signs of what is possible

**F** **Eb**  
Then you're back to your ways and I let me down  
**Bb**  
Tell me why I keep tryin' to stay around  
**Bb**  
When all my family they're always telling me

**F**  
Be through with you  
**Eb** **Bb**  
And I know that deep down I'm calling time on you  
**Bb**  
On you  
**Bb**  
On you

**F** **Eb**  
Every time I'm ready to leave

I seem to be  
**Bb**  
Pulling in the wrong direction  
**Bb**  
Diving in with no protection  
**F** **Eb**  
And you can't keep steering me wrong

Oh, gravity  
**Bb**  
Pulling me back pulling me in  
**Bb**  
Why are you pulling me back pulling me in  
**F** **Eb** **Bb** **Bb**  
Just like gravity

**F**  
I know I betray what I'm made to  
**Eb**

And all the universe when I see you

**Bb**

Cause every night the stars will shine

**Bb**

Mergin into you turn signs

**F**

Anything that they can just to change my mind

**Eb**

When I pass your road I can't help rewine

**Bb**

What is wrong with me?

**Bb**

All that I want to be is

**F**

Through with you

**Eb**

**Bb**

And I know that deep down I'm calling time on you

**Bb**

On you

**Bb**

On you

**F**

**Eb**

Every time I'm ready to leave

I seem to be

**Bb**

Pulling in the wrong direction

**Bb**

Diving in with no protection

**F**

**Eb**

And you can't keep steering me wrong

Oh, gravity

**Bb**

Pulling me back pulling me in

**Bb**

Why are you pulling me back pulling me in

**F**

**Eb**

**Bb**

**Bb**

Just like gravity
