

Mamma Do Uh Oh Uh Oh
Pixie Lott

Heyup! I really like taking overproduced pop music (not a bad thing) and bringing it down to acoustic. I took Mamma Do and created a kinda jazzy rendition... Hope it s to your liking... contact me with questions/suggestions

CAPO 3

Am

Every night I go

Em

Every night I go sneaking out the door

E

Am

I lie a little more, baby Iâ€™m helpless

Am

There s something â€™bout the night

Em

And the way it hides all the things I like

E

Little black butterflies

Am

Deep inside me

Chorus

Dm

What would my mama do

Am

(oh oh oh oh)

Em

E

If she knew â€™bout me and you?

Am

(oh oh oh oh)

Dm

What would my daddy say

Am

(oh oh oh oh)

Em

E

If he saw me hurt this way?

Am

(oh oh oh oh)

Why should I feel ashamed?

Feeling guilty at the mention of your name

Here we are again

Itâ€™s nearly perfect

Chorus

What would my mama do

(oh oh oh oh)

If she knew â€™bout me and you?

(oh oh oh oh)

What would my daddy say

(oh oh oh oh)

If he saw me hurt this way?

(oh oh oh oh)

What would my mama do

What would my daddy say

(Here I play E up a fret, then move it back down for the first two lines)

All the things a girl should know

Are the things she canâ€™t control

All the things a girl should know

Am

she canâ€™t control

chorus
