

Use Somebody
Pixie Lott

(intro 2x) C Em F

Ohh, Ohh, Ohh

I ve been roaming around
Always looking down at all I see
Painted faces, fill the places I can t reach

You know that I could use somebody, yeah
You know that I could use somebody, yeah

Someone like you, and all you know, and how you speak
Countless lovers under cover of the street

I know that I could use somebody, yeah
You know that I could use somebody, yeah
(C Em F) (2x)
Someone like you, ohh

Off in the night, while you live it up, I m off to sleep
Waging wars to shape the poet and the beat
I hope it s gonna make you notice, hey
I hope it s gonna make you notice, yeah
Someone like me, ohh
Someone like me, ohh

(D F#m D F#m)
I m ready now, I m ready now, I m ready now,
I m ready now, I m ready now...
